Data Notes

These data are reflective of students with disabilities, ages 6-21, special education and related services through Individualized Education Programs under the coverage of the Individuals with Disabilities Education Act, 2004. These counts would not include children with disabilities who do not have IEPs.

The designation of * indicates that the values were 10 or less. Consequently, the data have been suppressed to comply with the Family Educational Rights and Privacy Act (FERPA) and with the SC Department of Education's policy on public reporting of small cell sizes. Numbers and/or percentages may not add up to statewide totals or 100% as a result.

The child count date for the 2018-2019 school year was Tuesday, October, 23, 2018.

Data Notes

These data are reflective of students with disabilities, ages 6-21, special education and related services through Individualized Education Programs under the coverage of the Individuals with Disabilities Education Act, 2004. These counts would not include children with disabilities who do not have IEPs.

The designation of * indicates that the values were 10 or less. Consequently, the data have been suppressed to comply with the Family Educational Rights and Privacy Act (FERPA) and with the SC Department of Education's policy on public reporting of small cell sizes. Numbers and/or percentages may not add up to statewide totals or 100% as a result.

The child count date for the 2018-2019 school year was Tuesday, October, 23, 2018.

Data Notes

These data are reflective of students with disabilities, ages 6-21, special education and related services through Individualized Education Programs under the coverage of the Individuals with Disabilities Education Act, 2004. These counts would not include children with disabilities who do not have IEPs.

The designation of * indicates that the values were 10 or less. Consequently, the data have been suppressed to comply with the Family Educational Rights and Privacy Act (FERPA) and with the SC Department of Education's policy on public reporting of small cell sizes. Numbers and/or percentages may not add up to statewide totals or 100% as a result.

The child count date for the 2018-2019 school year was Tuesday, October, 23, 2018.
